

Central Coast Sporting Horse Association

MAY EDITION

The rains are here!

We had a fun packed April with our two regular competitions and our Gosford Show Duel Shootout.

Just a reminder to qualify for the end of the year prizes and trophies in either comp 1 or comp 2 you need to ride the same horse to at least six of our competition days in one comp, to be eligible for overall prizes you must ride the same horse in at least six competition days in each comp, unless your horse is sick or injured if you are riding a different horse your points for that day will not roll over.

Memories by Missy Lee has been kind enough to donate money back to the club for any large print pictures purchased from her album of which some are shown below.

Dianne's Horse Tips

It's the season to watch out for fireweed and flatweed which can be toxic to horses causing stringhalt and irreversible liver damage, so if you add some magnesium and apple cider vinegar to your daily feeds it will help with detoxing while you start pulling out those weeds.
